

Minutes20100211

From MTU LUG wiki

Intern secretary Adam Ahlquist

Officers' Reports / Committee's Reports

server hasn't blown up, Arch Linux mirror is still behind. Andrew is very mad with Arch maintainers. Possibly dropping the Arch mirror. Installation currently set to be in the MUB ballroom, hopefully will be changed

O-week Info Session

Tuesday August 24th 2010 share info on linux during O-week
Gabe and Peter volunteer, more are requested

Penguicon

held the weekend after finals week. FREE STUFF!!! tickets are \$45 and will increase. Talk to Peter if you are interested in going.

NotACon

Security and Open Source geek convention. Defcon with less Feds.
about 10 people @ \$210, includes everything but food. Price goes up when less people going.
Cody and Alicia are willing to go.

Parts/PCBordes

Order from digikey going out. Email agnilego by Saturday if you want anything.

Open Floor

Cody started playing Dwarf Fortress. Andrew likes Zork.

Hardware Libraries

Andrew is writing hardware libraries in Python for shiny hardware. 2 libraries are almost complete and able to display info on certain LCDs over the serial port.

QA

Jake is in trouble.
